## From the East

Brethren,

Summer is here, and with that comes June and our last Stated Communication before the Summer break. First, I want to welcome all of our newly-made Brothers and congratulations on taking the first steps on your Masonic journey. You join us at a historic time for our Lodge and hope to see you all contribute to its history and traditions.

I must also congratulate all those involved with our EA Degree Ceremony...Brothers, you guys crushed it! Everyone put the work in and gave 100% and it showed, when I finally closed the Lodge after a long day, I couldn't have been prouder to be the Master of the Lodge. To a man, every Officer, Sandy Valley Brother, and Pahrump guest heaped on tons of praise for the ceremony we performed...but more importantly, I spoke with each of our newly-made Brothers who said it was all way more meaningful and far beyond anything they had expected. After all, this is who these ceremonies are for, the candidates, and they were blown away.

We are well on track to complete my primary goal of getting caught up from, "The Year That Didn't Happen", from degree work, to correspondence, to administrivia everyone has come together to give our next 20 years an amazing start. A special shout out to our Secretary, WB Michael Kurcab, who has been working diligently to bring our communications, filing system, and organization up to date and ensuring all required information is uploaded to the Grand Lodge's "Grandview" system.

And speaking of 20 years! This month is our official 20<sup>th</sup> Anniversary as a Lodge. On June 13<sup>th</sup>, 2001 Most Worshipful Gordon F Wessell, Grand Master of Masons in Nevada for the Grand Lodge Free & Accepted Mason of the State of Nevada, in accordance with Nevada Grand Lodge Code, signed a Dispensation Certification document listing Brothers Donald Daum, Carlos Man Jr., Harold T Johnson, Wade A Schneiderman, Fred F Huston, Dominic J Depasquale, Parke M Potter, George W Odell, and William L Katz as Founders and Charter Members of the new, Sandy Valley Lodge! The following Officers were appointed:

Worshipful Master	Brother Donald Daum
Senior Warden	Brother George W Odell
Junior Warden	Brother Harold T Johnson

We owe each of these Founding Brothers a debt of gratitude and the best way I can think of to accomplish this, is to continue to evolve this Lodge into the foreseeable future with an eye on maintaining the customs and traditions they set forth from the beginning. I've said it before, and I'll say it again and it's even part of my email signature block... I'm honored to be serving you and Sandy Valley Lodge.

*"Stay safe, be responsible, consider others...be Masons!"*

## From the West

Brethren,

I hope all is well, as summer is at our doorstep, I admit I am looking forward my annual pilgrimage to the beaches of Aruba. It is a family journey that has become something we all look forward to and maybe a little more this year as we come forth from 14 months of pandemic restrictions. I say this because I feel called to take a departure from my usual monthly message. To highlight the importance of relaxation, and encourage my brothers to unwind this summer, because without a respite along the way, the journey to more light and the pursuit towards the smooth ashlar can become toilsome.

Often rest and relaxation are used synonymously, they are quite different. Rest refers to sleep or taking a break for an arduous activity. Relaxation is a state or condition of being free from tension and anxiety, also abated or relieved from bodily or mental work. Doing activities that are pleasant or calming to you, for example, some find fishing or walking on a sandy beach barefoot relaxing. Ultimately getting away from it all or unplugging from the daily grind.

Many of you all might not be aware, but I did my doctoral studies in Psychology, specifically Industrial-Organizational Psychology which focuses on the psychology of the workplace. As the pandemic wore on, I like many, saw the stresses of the restrictions adversely affecting the mental well-being of all of us. As humans we are not equipped for lockdown, especially upright men, and masons; we wired to exercise our fraternal bonds, socialize, and travel, simply enjoy the fruits of brotherhood. As we exit this period, look around you and internally and recognize what our families, friends, and brothers have gone through.

The restrictions are lifting and more of us are vaccinated, our world is reopening, with this occurring, I say masonically, "let there be travel". With the "dark" months of summer approaching, I encourage all my brothers, if so desired to get out and travel, RELAX, enjoy time with the ones you love, see the outside world again. We need to get back to the things that restore our souls and rejuvenate our minds and bodies. I strongly encourage all to take advantage of the coming "dark" months and relax, come back in September refreshed and ready to get back to work in support of the Craft.

## From the South

Brethren,

Summer is upon us and June is the month of feasts and celebrations!

June should be considered the official month of the Junior Warden. The Junior Warden, who sits in the South, symbolic of the sun at midday, the better to observe the time to call the craft from labor to refreshment and celebration.

June 20<sup>th</sup> is the first day of Summer, but to the ancients' summer solstice was considered Midsummer. Long before Christianity, the summer solstice was celebrated as a time of forever light and the promise of bountiful crops. It was celebrated by feasts and bonfires, symbolic of the importance of the sun for survival. The two most important days for ancient people were the longest and shortest days of the year, or Summer and Winter solstice. Monuments like Stonehenge were erected to measure and celebrate the movement of the sun across the sky and the cycle of the seasons.

This June we have much to celebrate. Maybe we should all gather around a bonfire or the barbecue on Summer Solstice in honor of dads, fatherhood, Freemasonry, burn our masks, and celebrate in Midsummer fashion as we move closer to the end of this pandemic.

Wessell, P : G : M :, of the Grand Lodge of Free and Accepted Masons of the State of Nevada, granted unto several petitioners a Dispensation empowering them to form and open a Lodge after the Manner of Ancient Free and Accepted Masons. The Worthy Master Masons who petitioned the Grand Lodge were: Donald G. Daum P: M:, Carlos Man, Jr., Harold T. Johnson (Ted) P: M:, Wade A. Schneiderman (Lefty) P: M:, Fred F. Huston, Dominic J. Depasquale P: M:, Parke M. Potter H: P: M:, George W. Odell P: M:, and William L. Katz P: M:. These men, under the guidance and support of Most Worshipful G. For the past 20 years, Sandy Valley Lodge No.57 has served the community of Sandy Valley through scholarships, fund raisers, and fellowship while contributing to the continued spreading of Masonic Light throughout Southern Nevada. The hard work and determination of our founding Brethren created a fountain of Masonic influence in the desert. The willingness of Worshipful George Odell and his Wife, Betty Ann, to open their home and hangar to the Lodge nurtured and nourished the Lodge and its members during its formative years.

Twenty years later, Sandy Valley Lodge No.57 is the proud home of 70 Master Masons with several Entered Apprentices and Fellowcrafts following the path of so many good men who have traveled that path before them. With the continued support of Worshipful Brother Odell and the Brethren of Pahump Lodge No.54, Sandy Valley Lodge is positioned to continue to serve Sandy Valley, Nevada and to provide kind care, love, and protection to Freemasons whithersoever dispersed around the globe for many more decades to come.

## Monthly Education Lecture—April 2021

*Provided by Sandy Valley #57 Masonic Education and Leadership Committee*

### **GET INVOLVED—YOUTH ARE THE FUTURE OF THE CRAFT**

In 1919, Frank Land, as Master Mason, visited with Louis Lower, the son of a Lodge member who had passed. Following their initial meeting, Frank Land invited Louis and eight of his friends to meet at the Masonic Temple in Kansas City, MO where they founded the Order of DeMolay.

Today DeMolay International is an international fraternal organization for young men ages 12 to 21. It was founded in Kansas City, Missouri, in 1919 and named for Jacques de Moley, the last Grand Master of the Knights Templar. DeMolay is open for membership to young men between the ages of 9 and 21 who acknowledge a higher spiritual power. It has about 15,000 active members worldwide. Although young women are not permitted to join DeMolay, chapters are permitted to elect chapter "sweethearts" and "princesses."

DeMolay has seven Cardinal Virtues, taught as its basic ideals. They are:

**Filial love** (the love between a child and their parent): which is the love and the kindness we should have with our parents, the ones that gave us birth and taught us the first lessons in our lives. Through them we had the first lessons of kindness, respect, and the belief in God.

**Reverence for sacred things**: it means to believe in God (independent on the religion) and to respect other's beliefs.

**Courtesy**: kindness, respect and solidarity are principles that a DeMolay tries to practice in his life. Philanthropy is only valid when it is done by heart and soul.

**Comradeship**: is to be a faithful friend, not only in good times, but also in hard times.

**Fidelity**: is to believe and follow your own values and virtues; yet keeping in secret everything which is entrusted. Fidelity is to be faithful to God, your homeland, and your friends, following the Jacques DeMolay fidelity lead, who preferred to die instead of betraying his companions or break with his pledge.

**Cleanness**: means to be an ideal citizen, pure in soul and heart; it is to always have a clear conscience. It means to keep your mind away from everything that is against the values of a good citizen.

**Patriotism**: is to respect and defend our homeland, our democracy, our state and our city overall. It calls for maintenance for the respect of public heritage, such as schools, asylum, orphanage, and hospitals that support people in need.

In 1922, Reverend Mark Sexson, a Master Mason in McAlester, OK, having worked with the Order of DeMolay saw a similar need for young women and founded the International Order of the Rainbow for Girls ages 12-20.

Today, the International Order of the Rainbow for Girls (IORG) is a Masonic youth service organization which teaches leadership training through community service. Young women (ages 10-20) learn about the value of charity and service through their work and involvement with their annual local and Grand (state or country) service projects.

**Love**: The International Order of the Rainbow for girls is an organization that is built on Love. It teaches us that we should love those around us – our father, mother, siblings, and friends. Love is the link that binds all of us together, no matter how far apart we may be.

**Religion**: Though we teach the lesson of religion, we do not require that members of our order believe in any one Religion over another. We ask that they believe in a higher power. Our members have found that a belief in a Higher Power enhances the lessons that they are taught in Rainbow and service to others helps them to feel closer to their creator and grow in their faith.

**Nature:** We can often miss out on the beauty of nature in a world that moves so fast. This lesson is about taking the time to experience the beauty and joy that comes from being in the out of doors. It gives us time to clear our heads and reconnect to the people and activities that matter most.

**Immortality:** Immortality is not about death; it is about the afterlife and the footprints left behind. The impression you make and the lives you change will live on after you pass. Death is a part of life, but it is not the end, it is merely the end of one journey and the beginning of another. The people we love continue to live on in the memories of those that remain behind.

**Fidelity:** Loyalty to your family, friends, school, and the International Order of the Rainbow for Girls is one of the most important characteristics that a young woman can possess. To have truth, honor, and honesty in your life and to make it important will make you a valuable part of this organization.

**Patriotism:** Love of country and flag is taught at this station. Today, both men and women serve this country and protect our flag; we owe them more than we can ever give for protecting our country and our way of life.

**Service:** Though all the lessons of Rainbow are important, Service is the cornerstone of our order. Service to family, school, community, and each other is the most important act we can ever do in this life. The opportunity to better our community and world is a chance to make our own life better.

**Faith:** What we believe can define our life, whether it is a belief in a higher power or in our family and friends. Our faith is what pushes forward, it gives our life direction and helps us to strive and fulfill our dreams.

**Hope:** Hope is an invisible feature in all of our lives, no matter where we travel, hope is never far behind. It helps us believe in the kindness and virtue of others and it gives us the strength to get through the day. It is a combination of faith and love. It asks us to trust in ourselves and in others and to believe in the goodness of the world.

**Charity:** Charity and service go hand in hand in this organization. Charity is doing a kind act for someone else, never asking for recognition for the deed. In our ceremonies it says, "Charity is the embodiment of everything good, it includes not only alms for the poor and kindness for the distress." It is through loving service, kindness and charity that we discover the real secrets to life.

Founded in 1920, by Ethel T. Wead Mick in Omaha, Nebraska, The Order of Job's Daughters. Today, the purpose of Job's Daughters International is to band together young girls to strive to build character through moral and spiritual development. Goals include a greater reverence for God and the Holy Scriptures, loyalty to one's country, and that country's flag, and respect for parents, guardians, and elderly. Members can be found in the United States, Canada, Australia, the Philippines, and Brazil. Girls aged 10-20 can join Job's Daughters International Youth Group.

Job's Daughters perform service projects to help their community and the less fortunate. We actively support the Hearing Improvement Kids Endowment (HIKE) Fund, which purchases hearing assistive devices for hearing impaired children.

They also gain valuable leadership experience, serve as part of a team, and learn democratic principles as they run their own meetings, decide their own activities, and plan their own events.

Job's Daughters is an organization for young women that provides a safe place for girls to have fun, learn leadership skills, and be an active part of their community! Young women have an opportunity to bloom, lead, and soar, and Job's Daughters gives them the tools to do exactly that.

**BLOOM:** Through local gatherings, we provide a safe and fun place for girls to become confident women. Activities might include a movie night, scavenger hunt, local gatherings, and more fun things!

**LEAD:** Through business meetings, leadership camps, and organizing events and fundraisers, young women develop the leadership skills needed to be amazing leaders.

**SOAR:** Through Job's Daughters young women are set-up to soar in whatever they put their minds to! And scholarships to help them get there, life-long friends and supporters.

These youth organization promote the values of our Masonic Fraternity to our next generation. The world will benefit from the lessons that we can impart to our children, and our Masonic youth organizations are a way to directly accomplish that. This does not diminish what we do as Masons, but rather strengthens us.

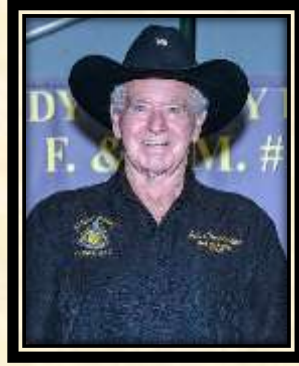

However, without Masonic support both Rainbow and DeMolay will struggle. There is a group of very dedicated Brothers that do an incredible amount of work for these young men and women, and a much larger group of dedicated advisors both inside and outside of the Fraternity. Our hope is that in meeting the young men and young ladies, and seeing how incredible they are, that you will also be moved to participate, even in the smallest of ways. While there is somewhat of a renaissance happening in Rainbow right now, DeMolay is struggling with Advisor support and members. Rainbow Assemblies across the state are growing, but the girls still need your support.

If asked, brother who has served as advisors within our masonic youth organization, will say with all sincerity that there is no better feeling than watching a young man or young woman grow into adulthood with the love, care, strength, and intelligence to make a difference in the world, and knowing that we had at least a small part in their development. Active involvement in our youth organizations provides benefits beyond comprehension, including developing a better understanding of Masonic Family, how crucial this is to the success of our organizations, and how wonderful it feels to be a part of it. It will make you a better Mason and a better man and ultimately, isn't that the goal of our Masonic teachings?
