From the East

Brothers:

It has been a busy month for Lodge business. I am happy to report that through the hard work of our Historian Justin Sobota, our Secretary W.B. Ken O'Neill, and myself, our Historian's report has been completed and sent to the Grand Historian and Grand Secretary in a timely manner. I wish to thank those brothers for their hard work.

WB O'Neill and I are finalizing our Silver State application, and it will be completed well before the deadline. It has been a busy year, and the Lodge has accomplished a lot of good work. I could not have done this without the work and support of my Sandy Valley Brothers, and I thank all of you who stepped up.

Now I issue you a challenge as we transition to next year's Silver State award: support our incoming Worshipful Master as he begins the hard work of earning Silver State points for the 2025-2026 award. That means being willing to volunteer at the Food Pantry, go on Official visits, and volunteer to participate in any degree work. Let's keep up the good work.

Finally, I have one last task that I would like to accomplish before the end of the year. I need assistance with arranging and organizing our office space. I will be reaching out at the October Stated Meeting to set up a time to accomplish this task. I would appreciate all the assistance I can get to complete this vital chore.

Respectfully & Fraternally,

Michael Kearns

The Master's Goals for 2025

RECRUITMENT.

- Work with the Sandy Valley Officers, all Sandy Valley brothers, and the Grand Lodge of Nevada on a recruitment program. It is critical that we involve our younger members in this process and give them advice on how best to promote freemasonry to their peers.
- Work with our youth group committee chairman to schedule a time to visit with the DeMolay youth as part of the month of the Grand Lodge's March youth groups. It is critical that these young men see that Masons are interested in their group and what they are working for. This will also allow us to talk to these young men and give them advice on how to best recruit members to their organization.

RETENTION.

- Work with the entertainment committee to set up at least two social events this year. Those events would be open to all brothers, their families, and any guests they wish to invite.
- I would like one of these events to be fun, such as going bowling. The other event I envision doing is one that honors all the past masters of Sandy Valley Lodge No.57. They have been a vital part of the lodge's development, and I want to honor their commitment to the lodge and Masonry.
- Work with the leadership of our brothers in Pahrump Lodge No.54 to beautify the areas of the lodge that Pahrump Lodge No.54 has given to us. For instance, post pictures of all this year's Sandy Valley officers. Also, please post photos of all our past masters to honor them.
- Most importantly, perform timely degrees for the candidates and brothers going through the various degrees. It is essential that we don't fall behind in this process. When we do, we can often lose perspective, Master Masons. My goal is that no one should wait more than two months before being elected to take the degrees or pass a proficiency before moving on to the following degree. Of course, this will take a concerted effort from the team.
- Finally, work with the brothers completing their degrees to pass their various proficiencies. We all have the responsibility to offer this assistance. However, the primary persons who should be driving this are those brothers who are first—and second-line signers.

RE-ENGAGEMENT.

Formulate a process to reach out to those members we don't see often at meetings. While their dues are vital, it is even more vital, in my opinion, to have a lodge where more members participate in the stated meetings, degree work, and social functions. Find out those members' barriers to participating in meetings and work with those brothers to find ways to eliminate those barriers.

EDUCATION, DEGREE CONFERRALS, AND CEREMONIES.

- Take part in all District 11 DGL training opportunities. Dates for these are 1/18/25, 4/19/25, 8/12/2025, and 11/15/2025. These are all great opportunities for learning and improvement. We will also need maximum participation in the Nevada Grand Lecturers workshop date to be announced.
- Work with appropriate committees to set up team members to take roles in the various degrees of masonry, especially the Master Mason degree's second section. Work with members to learn multiple roles.
- Junior Warden will open/close a meeting of Entered Apprentices and confer an EA degree. Senior Warden will open/close a meeting of Fellowcrafts and confer a Fellowcraft degree.
- Work with appropriate committees to work on our funeral degree. Do at least one practice this year of the funeral degree.
- We will continue conducting monthly education during our stated meetings. My vision is that various officers will take turns performing the monthly education. I will work with the education committee to accomplish this goal.
- We will invite a brother from one of our sister lodges to do one of the monthly educations and offer to conduct education at that lodge when we make an official visit.
- Work with the education and ritual (Hi-twelve Committee) to set up practices for opening and closing a lodge, all the various degrees, balloting, and special presentations such as the GMOV.

COMMUNITY INVOLVEMENT AND INVOLVEMENT WITH OTHER MASONIC LODGES.

- We will continue our practice of official visits to other Masonic lodges. We will take that opportunity to learn best practices from our brothers at these lodges.
- Special project that I want us to be involved in. Work with the Grand Lodge of Nevada, Vegas Lodge No.32, and other lodges to do a Table Lodge during the Daughters of the Nile Supreme Session in June. Many Masons from

all over the United States will attend with their spouses. When I attended last year's sessions in Boise, Idaho, the Idaho Grand Lodge and an area lodge hosted a dinner, and the Grand Lodge officers did the second section of a Master Masons degree. I want to do the same here in Nevada.

- Additionally, work with the Entertainment Committee to try to set up a joint summer function involving as many area lodges as possible. My suggestion would be a picnic lunch and lawn games. Invite as many brothers, family members, and guests as possible. Show everyone that Masons like to have fun.

CHARITABLE ACTIVITIES.

- We will continue to provide food donations to the Sandy Valley Food Pantry and work with the Charity Committee to develop a plan for at least one donation this year.
- Assist the Sandy Valley food pantry by volunteering at least one Friday a month this year to help hand out food to those who need it.
- Work with the Charity Committee to consider raising funds to buy turkeys to hand out at the Sandy Valley Food Pantry in November 2025.
- Work with the Charity Committee to discuss how we can assist the Sandy Valley Activities Center. This is a center where area kids can go after school. When I asked how Sandy Valley could help, they told me we could provide recreation equipment such as soccer balls, etc.
- We will continue to work with the Scholarship Committee to award deserving students the George Odell Scholarship.

FINANCIAL SECURITY.

- Work with the Finances Committee and the Trustees to set up appropriate tax-deductible opportunities for Sandy Valley Lodge. This may be a way for members to contribute to Sandy Valley Lodge as a tax-deductible item.
- Work with the Finance Committee and the Trustees to see if there are any opportunities to invest our monies in investments that might earn us more capital. Of course, we must do this within the bounds of the Nevada Masonic Code.
- Work with Pahrump Lodge No.54 leadership to try and set up a fundraiser to assist in building maintenance, security, and beautification.

APPENDANT BODIES.

- We will continue to have the members of the Appendant Bodies Committee report on various activities occurring at those bodies.
- As stated before, participate in as many youth events as possible. Invite youth group members and appendant body leadership and members to any social events we plan.
- If possible, pick a time for appendant body leadership to visit a Stated meeting and talk to us about their various activities and opportunities.

From the West

Brethren,

It's been a great year so far, and as we get closer to the Holidays, I reflect on how much the Lodge has grown and changed. It has been a pleasure to see ritual and education become a regular part of our meetings. I look forward to see what next year brings.

There were no significant changes in the Charity events, with one exception. We will not be able to have the shooting competition until early next year. This is unfortunate and due to communication issues we had with some of the ranges we planned to host the match at. I now have good communication with Boulder City Rifle and Pistol Club and will have more details finalized soon.

From the South

Greetings from the South,

All is well in the South. Thank you all for the donations so far this year for our lunch fund. We have been breaking about even every month. I would like to do something nice for our November Communication. Any suggestions or ideas would be welcome. Maybe Cater? Continue to contact absent members and bring them back to the table. I'll see everyone in October.

Monthly Education Lecture - September 2025

Provided by Sandy Valley No. 57 Worshipful Master & Masonic Education and Leadership Committee
Presented by Brother Jeffrey Vrabel, Senior Deacon for Brother Tarek Schoner, Junior Warden

The Ballot Box Lecture

My Brother, you are now nearing completion of the ceremony of being raised to the Sublime Degree of Master Mason. What I am about to say is not part of the ritual, but should be of great significance to you.

You will observe that the area between the Holy Writings and the Master's Pedestal is never used except during the ceremony of initiation. This is to signify that no man has the power, or the wisdom, to rule and govern a Masonic Lodge, unless the light that emanates from that great source shines upon him without blemish.

This, my Brother, is the ballot box. It is the only other furnishing of a Lodge worthy of a place upon the Altar with the Holy Bible, Square, and Compasses. It is by the use of this instrument that the members of the Lodge determine who will be their Brothers. Incidentally, it is mandatory that you ballot on every candidate for the degrees, when you are seated in your home Lodge.

Balloting, my Brother, is a solemn and serious duty; one that should be executed with perfect understanding and exactness. It is accomplished by approaching the Altar, saluting the Worshipful Master with the Due-Guard and Sign of the degree upon which the Lodge is open; thereby reaffirming your vow that you will cast your ballot in accordance with the great principles of your obligation; and by taking a white ball or a black cube out of the compartment in the ballot box and passing it through a small opening into a secret compartment. To demonstrate your understanding of this procedure, you may now cast a sample ballot.

You know that your ballot will be secret. You should always keep it that way. Please be advised that to discuss, disclose, or make known your ballot in any way is a very serious Masonic offense.

The ballot box is no place to exercise a petty grudge, personal pique, or private quarrel. You and you alone will be the judge of the qualification of the petitioner. However, it is not expected that you will be personally acquainted with each petitioner, and for that reason the Worshipful Master will appoint a committee of three, and that committee will make a thorough investigation of the qualifications of the petitioner. The Secretary of the Lodge will read the recommendations in open Lodge for your guidance.

Bear in mind, my Brother, that the Masonic Fraternity is not an organization endeavoring to make mediocre men good men, but rather an institution designed to make good men better men.

You are admonished to cast your ballot without fear, favor, or prejudice; always remembering that white balls elect, and that it takes only one black cube to reject a petitioner.

Be careful, my Brother, be very, very careful, and look well to your ballot.

Now, I want to add to this lecture. Reflect on the start of your Masonic journey—filling out your petition, hearing that you'll be voted on, and receiving the news that you're accepted. Who were you back then?

Next, starting your degree work, completing proficiencies, meeting new friends and Brothers, shaping your character as both an upright man and Mason, and experiencing the feeling of becoming a Master Mason.

Your Masonic world opens. Think of all the dinners, meetings, practices, friends, late nights, early mornings, Table Lodges, Shrine parades, LOH, York Rite, Scottish Rite, BBQs, golf tournaments, poker games, enough chicken Alfredo to sled down a hill on, Widows Sons, riding groups, flying groups, cruises, Potentates' Balls, movie nights.

Think of the remarkable Brothers who have laid down their working tools that we have been fortunate to know. The Worshipful Masters who have been our guides, our inspiration, and our friends. Are we better men now than we were when we filled out that petition? Have we grown spiritually, rich in memories?

If someone had cast a black cube in your vote, none of that would have ever occurred. When a black cube manifests its grim presence, it deprives a candidate of any opportunity to develop. Despite being a man, free-born, of lawful age, and well-recommended, he is denied growth by such an influence.

He will never have the opportunity to become a Brother, advance through the ranks, or inspire others to achieve greatness, despite having passed an investigation conducted by three worthy Brothers appointed by none other than the Worshipful Master himself.

He will never have the chance to get involved in the many charities that the Lodge supports, which so many people depend on for food, clothes, and toys for children during the holidays, such as Shriners Hospitals and The Eye Foundation.

Imagine if the black cube had been inserted into the ballot box during the vote for your acceptance as a symbol of silent judgment, perhaps influenced by personal dislikes or petty disagreements. The ballot box is no place for grudges, personal biases, or private quarrels—only for honest and fair judgment.

There is no way we can be liked by everyone. Our differences are what make this great Brotherhood work. Yes, our duty is to guard the west gate, but unless you know of any disqualifying facts about a candidate—which you should have reported to the investigators or discussed openly in lodge—trust the process. Offer each man the same opportunity you had to become a Mason, and help him and his Brothers and community grow. Great Masons are not found; they are Raised.

2026 Dues Payment

In November, I will send out a lodge-wide communication with the Zelle information and PayPal/Venmo QR code. Please note! If you choose to pay via PayPal, the dues amount is \$104.00. According to policy, the lodge is charged a \$3.00 fee for PayPal/Venmo transactions. This fee is non-negotiable, and the lodge cannot under any circumstances absorb or divert this expense.
